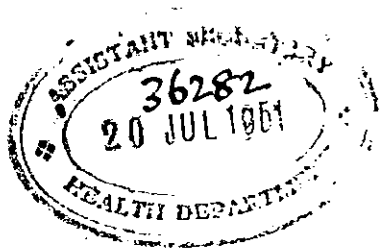
Sir,

Sub:-Nursing Staff - Mrs.Bridget Mary Pereira - Ex-House keeper - Govt.Headquarters Hospital, Mangalore - Excess payment of Dearness allowance Recovery -



The question of admissibility of Dearness allowance to members of the Nursing staff who were also in receipt of ration allowance was decided in G.O.Ms.No.2478-PH.dated 12-7-1949, according to which they are eligible to draw rates of Dearness allowance in force prior to the issue of G.O.No.99, Finance, dated 29-1-1948. These orders have been made applicable to House keepers (in addition to other staff) also - vide Govt.Memo.No.77855/49-2-H2.PH.dated 27-10-1949.

Miss Bridget Mary Pereira was a temporary House-keeper attached to the Government Headquarters Hospital, Mangalore upto 18-9-1949 afternoon, on which date she was discharged from service. She was paid Dearness allowance at Rs.22/- per mensem upto that date. On and from 12-7-1949 she was eligible only for a Dearness allowance at Rs.18/- per mensem. The total excess amount paid to her works out to Rs.8-15-0 . The District Medical Officer could not regulate the payment of Dearness allowance to the House keeper at the lesser rate from 12-7-1949 as the question of payment of Dearness allowance to

House keepers, etc. on a par with the members of the nursing staff was decided only in their Memo. dated 27-10-49.

Steps were taken to effect the recovery from the House-keeper. Registered letters sent to her address remained ~~unaswered~~ unanswered. The assistance of the Police as well as the Postal authorities was sought for, as it was reported that she was employed in the Central Bank, Bombay. The latest communication sent to her Bombay address has been returned by the postal authorities with their remarks. 'No information about the individual'

In view of the position explained above, I recommend that the sum of Rs.8-15-0 due from the House keeper in question may kindly be written off as there is no possibility of effecting the recovery.

Yours faithfully,

P. Annamalai

for Director of Medical Services,
